Day Kimball Hospital
320 Pomfret St.
Putnam, CT 06260

Since 1894, the mission of the Woman's Board has been to support the needs of Day Kimball Hospital (DKH), thus enabling the Hospital to enhance the scope and quality of services provided.

We have funded more than \$1.5 million in equipment and programs through fundraising activities and through the sale of gifts and merchandise at the Gift Shop at DKH.

With community support, we continue to help Day Kimball Hospital provide comprehensive healthcare to meet the needs of our families, neighbors, and friends in Northeast Connecticut.

All of the money we raise in support of the Hospital remains in our community.
